

Features:

- Precise tip deflection adjustment for fast access
- Tip position indicator showing neutral or deflected curve
- Superior curve retention for reliable catheter placement
- Enhanced radiopaque tip visibility enabling accurate tip positioning
- Proprietary hydrophobic coated sheath technology, enabling smooth access
- Reliable Flexsteer™ reinforced braid technology provides exceptional control, kink resistance, while maintaining optimal flexibility
- Ergonomic handle with clear imprint of the curve deflection, french size and sheath length
- Reliable SureSeal™ hemostatic valve technology to minimize air embolism and blood loss even under extreme conditions

AUG 2014

Destino™ **TWIST**
DEFLECTABLE STEERABLE GUIDING SHEATH

The *Destino™ TWIST* is a steerable guiding sheath that offers a deflectable tip with an ergonomic handle. The Destino™ Twist is the ultimate tool for gaining access to the most difficult to reach sites, while maintaining hemostasis with Oscor SureSeal™ technology. The Destino™ Twist is **YOUR ONE SHEATH SOLUTION** intended to facilitate the intracardiac, renal, and peripheral placements of diagnostic and therapeutic devices.
